

Cole and Sarah McCauley, Your hands and feet for the orphaned

Praises for God's blessings in 2021

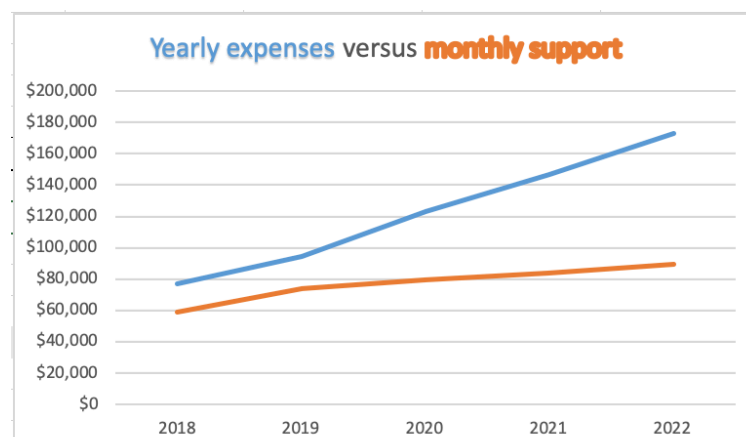

- All of our children, including all transitional kids, passed their respective levels of education at the end of the school year in 2021! Four kids will enter the University this school year!
- We praise God that Cole did not die from typhoid fever in May; thank you for your prayers for his quick recovery!
- We praise God that Lucilia Sue McCauley was successfully born in January 2021 without complications, and we found out later in the year that we will be having another baby boy in June of 2022!!!

Prayer requests moving in to 2022

- Geovany is turning 18 and needs to leave Casa de Mi Padre soon. Pray for a home and loving family to move to as he transitions out of the children's home and continues his education.
- Pray for our children this month as they are starting a new biblically based education system that is highly recommended in Guatemala, that they may grow in knowledge of the world in which we live, biblical wisdom, and in their love for God.
- Pray that all of our children would be born again in Christ this year and that God would truly and undeniably fill them with His spirit so that they may desire nothing more the rest of their lives!!!
- Above all, pray that God's will be done here in our ministry, in every child, in every staff member, and in every one God desires to impact through His work here!

Financial needs and giving opportunities

- We are raising the pay for all of our childcare and support staff to minimum wage with benefits and have hired a professional staff (a psychologist, a social worker, and an assistant director of operations) in order to meet government requirements. This is a few thousand dollars of increase per month step of faith, but we must obey. God has been faithful in providing for our needs in the past through one-time gifts to cover the gap between our monthly support and our expenses. Please pray and consider helping fund our high quality staff!
